

R-01\_Group's ref.-no.

PTR-M / 01-SG-100

**List of currently available  
Second hand STEAM GENERATORS (BOILERS)**

Issued / up-dated: February 2008

**Power-Tech Re-Sale MICIK**

Dipl.-Ing / Dipl.-Wirt.-Ing.  
Laslo MICIK

Post box: 30 02 13  
D-47863 Willich  
Germany

List's ser. No.	Offer's reference no.	Title / Technical data	Price, Scope of Deliveries (SoD) and other commercial and delivering conditions
<p><b>If you want to have more details or a detailed offer and photos, than send us your request and refer with your enquiry to the below mentioned offer's reference-no.</b></p>			
<p><u>Preliminary note:</u> We can offer to you with our experienced engineers also engineering services concerning the feasibility study and/or about modification/adaptation of your existing equipment/systems. If you have other specific need, than send us please your enquiry and we will work on it to find suitable equipment for you and provide you an offer.</p>			
1.	PTR-M / 01-SG-101	<p><b>Steam Boiler: 25 t/h ; 34 bar a. ; 470 °C</b></p> <p><b>Steam Boiler</b></p> <p>Make: Babcock-Lentjes Year of production: 1981 Type: 2 drum boiler, water tube Working principle: Natural circulation</p> <p>Design load: 25 t/H Drum pressure: 40 bar a. Superh. Steam pressure: 35 bar a. Superh. Steam temper.: 470°</p> <p>Feed water temperature: 102°</p>	<p>Price: <b>On further request</b></p> <p>Scope of deliveries: a) Complete steam boiler b) Oil/Gas Firing system</p> <p>Delivery: FOT = Free on track, from site in Germany under the condition "As it is, Wer it is"</p> <p>Payment: Has to be negotiated (proposal)</p> <p>Available: As of now. (Subject to prior sale)</p>

Issued / up-dated: February 2008

List's ser. No.	Offer's reference no.	Title / Technical data	Price, Scope of Deliveries (SoD) and other commercial and delivering conditions
1. (cont.)		<b>Firing system</b> Number of burner: 1 Kind of fuel: Light Oil & Natural Gas  General condition: good  Further comment: For this boiler there is suitable 2,2 MW el. steam turbine existing. Please refer to our turbine offers with ref.-no.: PTR-M / 02-ST-202	
2.	<b>PTR-M / 01-SG-102</b>	<b>Steam Boiler: 22 t/h ; 61 bar a. ; 490 °C</b> <b>Steam Boiler</b> Make: Blom + Voss, Germany Year of production: 1993 Type: Eckohr-type, water tube Working principle: Natural circulation  Design load: 22 Drum pressure: 67 bar a. Superh. Steam pressure: 61 bar a. Superh. Steam temper.: 490°  Feed water temperature: 105° (gas) , 130°C (H-oil)	Price: <b>EUR 285.000,--</b>  Scope of deliveries: a) Complete steam boiler b) Oil/Gas Firing system  Delivery: FOT = Free on track, from site in Germany under the condition "As it is, Wer it is"  Payment: Has to be negotiated (proposal)  Available: As of now. (Subject to prior sale)
